

Your Love Will Never Fail

Patricia W. Felker (ASCAP)

dedicated to my friend, Julie Steinkuhl

**By faith you make me confident
Strong, and so secure
By faith I know I'll win the fight
With Christ as conqueror
By faith I'll seek to live my life
Walking close to You
I know that everything You've said is true
Your word is true**

Chorus:

**You've given me
 a love that will not falter
 a love that will not fail
An everlasting Spirit
That's more than capable
You've given me
 the courage and the strength to prevail
O, Lord, You keep Your promise:
Your love will never fail**

**You've poured Your blessings out to me
Streams of happiness
You've shown unending patience
With my frequent foolishness
You've carried me through fire and drought
Safely in Your care
And, in my weakest moments You were there
You're always there
(Chorus)**

**Never fail, never fail
Your love will never fail
Never fail, You never fail
You keep Your promise forever
You never, You never, You never fail
You never, You never, You never fail....(repeat and fade)**
