

Like You

Patricia W. Felker (ASCAP)

We know that when He appears, we will be like Him, because we will see Him, just as He is. 1 John 3:2

**Guide my heart into your will
To follow you more freely
Keep my desires in tune with You,
Till my thoughts obey You completely**

Chorus:

**Give me joy (give me joy)
Give me peace (give me peace)
Give me love that's pure and true**

**Give me faith (give me faith)
Give me hope (give me hope)
Give me patience learned from You**

**Spirit of Light
Giver of Life
Let me be like You**

**Guide my lips into your will
With wisdom beyond measure
With gentle kindness, loving truth
Then my speech will be for Your pleasure
(Chorus)**

**Guide my life into Your will
To live in holy reverence
Direct my steps with purpose, Lord,
Won't You honor me with Your presence?
(Chorus)**
